### ABOUT ME

I am a passionate, creative, and detail-oriented tech-savvy designer with 4+ years of exceptional skill level in handling several design and development projects. Skilled in Adobe Creative Suite, Figma, Adobe XD, Photoshop, Sass, JavaScript, and more. My objective is to contribute meaningfully to teamwork with a positive, and collaborative attitude, to enhance growth and success. Passionate about working in a tech company, as that promotes innovation & development, and encourage thinking of new possibilities.
