### ABOUT ME

A passionate, creative, and detail-oriented tech-savvy designer with 4+ years of exceptional skill level in handling several design projects. Skilled in Adobe Creative Suite, Figma, Adobe XD, Photoshop, Illustrator, Front-end web development and more. My objective is to contribute meaningfully to teamwork with a positive, and collaborative attitude, to enhance growth and success. Passionate about working in a tech company, as that promotes innovation & development, and encourage thinking of new possibilities.
